Building Stronger Readers in Our Community

The YMCA Reading Clinic is a free program that works with children who are struggling in reading. Get a jump start on the school year by helping your child become a stronger reader. Students who are reading at least two or more levels below grade level are encouraged to participate.

Register today to receive one on one tutoring in reading that will focus on the following skills:

- Phonics
- Vocabulary
- Fluency
- Comprehension

Y Reading Clinics are available for children ages 6-12.

The Y Reading Clinics are now accepting registration for Fall 2014. See reverse page for more information.
