The ENHE School Year Program is designed to support families as they help their children continually strengthen literacy skills during the school year. Daily reading with your child and attendance at the monthly workshops are crucial to your child's continued success.

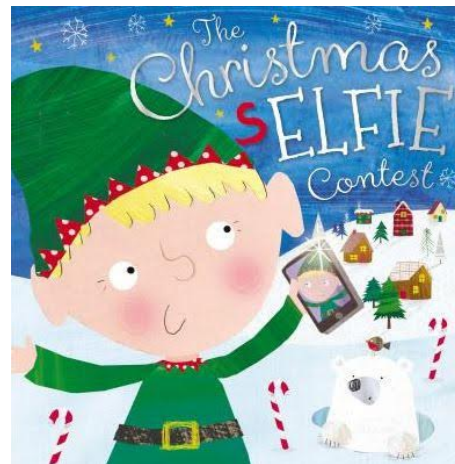

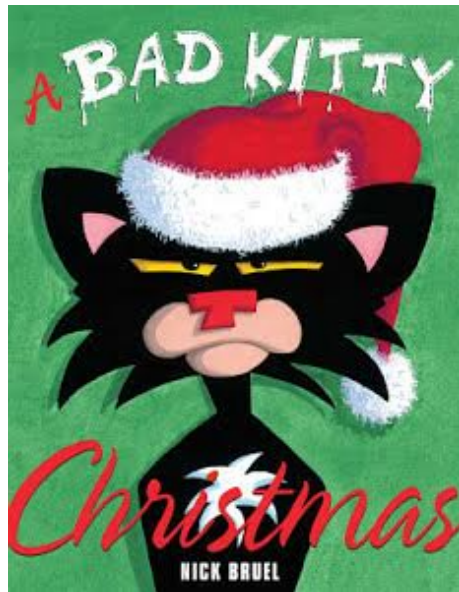

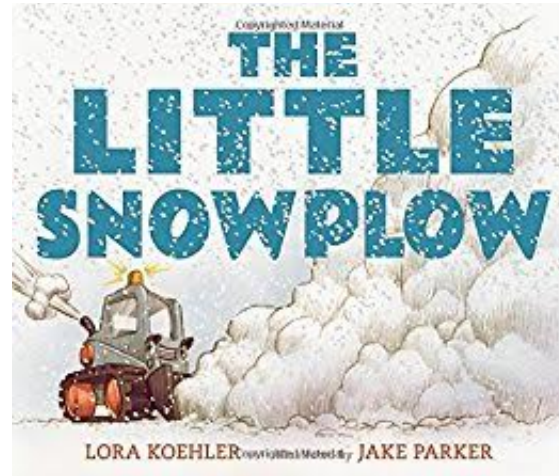

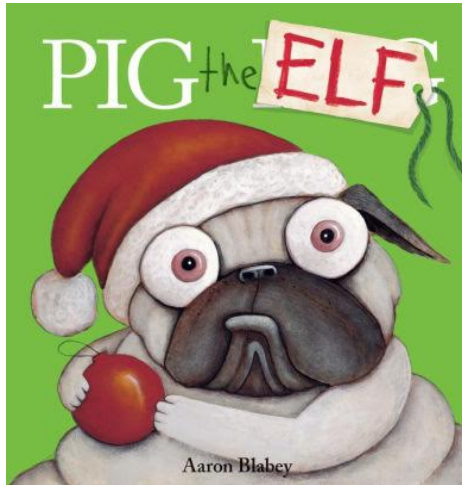

Please be sure to let us know if there is an emergency or unavoidable conflict that keeps you from attending the workshops. A make-up workshop will be held every Wednesday following each Saturday workshop for those who are not able to make the Saturday workshop.

Call or text Ameshica at 615–608–2450 with any questions.

In addition to monthly family workshops, **we offer tutoring twice a week throughout the school year.**

HOLIDAYS WITH ENHE

A few of the books the students got to take home from our family workshops this holiday season:

Students who participate in our monthly family workshops get at least one book to take home each month to build their home libraries and encourage reading at home!

East Nashville Hope Exchange Christmas Shop!

Every year at the East Nashville Hope Exchange Christmas Party, ENHE students get the opportunity to be thoughtful during the holiday season and "shop" for gifts for their friends and family from among a selection of many wonderful items donated by our community. This year's party took place on December 9, 2017, and it was just as special as ever! A huge thank you to all of our volunteers, families, the Junior League of Nashville, Book'em, and everyone who donated gifts!

We are looking forward to another amazing year of improving the literacy of our children in East Nashville. Happy New Year from ENHE!
